

Device type: **APT-210**

## Smart Keyfob

Remote control, ideal for controlling selected functions, e.g. opening gates, turning on the lights.

- 5 buttons – 5 programmable functions
- 3 LED indicators
- built-in sounder
- operation in the 868 MHz frequency band
- AES encrypted two-way radio communication
- transmission channel diversity – 4 channels for automatic selection of the one that will enable transmission without interference with other signals
- remote settings programming
- remote firmware update
- battery status control
- splash-proof enclosure – IPX4 ingress protection

Operating frequency band .....	868.0 MHz ÷ 868.6 MHz
Battery .....	CR 2032 3 V
Low battery voltage threshold .....	2.6 V
Environmental class according to EN 50130-5 .....	II
Operating temperature range .....	-10°C ÷ +55°C
Maximum humidity .....	93±3%
Dimensions .....	37 x 66 x 14 mm
Weight .....	25 g

Compatible with  
**abax2**  
wireless system

**APT-210**
